

LENNY FONTANA & MARC SADANE - DON'T GIVE UP

RELEASE TEXT

It all began one weekend at a party in New Jersey, given by Newark Party Promoter Billy Prest. Lenny Fontana is formally introduced to this legendary singer Marc Sadane who worked with another great in the r&b dance world, producer James Mtume. From that wonderful day a brand-new partnership formed between the two and a hot powerful song came to be called "Don't Give Up." This driving song playing off of its fierce bass line and sultry soulful vocals that Marc is well known for will keep you streaming it over and over. The fine combination has all the makings of a dance-floor favorite and a new future classic.

BIOGRAPHY - MARC SADANE

Born in Savannah, Georgia, Marc moved to New York in the 1970s, where he established himself on the club scene, befriended Phyllis Hyman and Stephanie Mills and worked with James Mtume and Reggie Lucas, the production duo behind their most successful tracks. Marc released two albums on Warner Brothers in the early 80s, both produced by Mtume and Lucas, and contributed to the New York garage scene in the early-mid 90s, as Sir Dane, on tracks produced by B.O.P., Ace Mungin and Tyrone Payton.

KARMIC POWER RECORDS

Karmic Power Records is the record label of legendary New York DJ Lenny Fontana. The promise is to push the boundaries of house music and all its varieties, taking it back to an era where music had the ability to evoke emotions. Over the years as an artist Lenny Fontana has proven his ability to crossover from the clubs to the mainstream with his brand of house music. It's these principles that Lenny and the team have applied to the label. Lenny says, "Our main focus will be on moving forward with sourcing new acts and through our A&R department guiding them to grow as artists as well as working with other industry heavyweights. With releases featuring such acts as David Morales, DJ Spen, ATFC, John Morales, Richard Grey & Marshall Jefferson amongst others". Keep a look out for all future Karmic Power Records releases on all digital music stores.
